Quoted hereunder are Regional Memorandum No. 416 s. 2015 and DepEd Order No. 88, s. 2010 dated June 24, 2010 entitled "2010 Revised Manual of Regulations for Private Schools in Basic Education" specifically Section 70 mandating the Minimum Qualifications of a School teaching Personnel from Kindergarten, Elementary and Secondary levels of basic education in all Private Schools shall possess appropriate educational qualifications and must pass the Licensure Examination for Teachers (LET).
 - a. The minimum educational qualification for school teaching personnel in the kindergarten and elementary levels shall be a bachelor's degree in education.
 - b. The school teaching personnel in the secondary level of instruction shall have the following minimum educational qualifications:
 1. For academic subjects a bachelor's degree in education, or equivalent or a bachelor of arts with such additional number of professional education subjects as may be required to teach largely in their major/minor fields of concentration,
 2. For vocational subjects- a graduate of any bachelor's degree with knowledge of the vocational course to be taught.

3. R. A. No. 7836 provides that teaching as a profession should be done by individuals who have license to teach. Any school hiring non-eligible teachers not only lowers the standards but put the school at risk when some deficiencies are committed and these are done by non-eligible ones.
