Good day to the Regional office of Region VII

I am Grace Co from Microsoft Philippines in Education. We are emailing to your Regional office to extend the invite to your staff and educators and the rest of your division offices to join us **this March 4** for an exclusive invite to the **orientation & application seminar for the Microsoft Education Ambassadors Program 2017**. This is our by invite only program where we hope to gather the most passionate individuals who are up to the challenge of empowering other educators in teaching with technology.

We have worked closely with the Department of Education – from central, regional and division offices – especially with Region VII and we are happy for the support that you have given us over the years. We hope to create a stronger presence this time covering also Bohol and nearby divisions.

If you are interested and if you have fellow faculty who might be a good fit to the program, please read on below and sign up today! 😊

Note: This event is FREE.

Microsoft Education Ambassadors 2017

Region VII – Bohol Leg

Orientation & Application slots are now open

Microsoft is committed to education and believes that teachers are key in transforming the lives of our students and the future of our nation. Believing that the best educators never stop educating themselves, Microsoft provides a wide array of professional development opportunities for them.

Through the **Microsoft Education Ambassadors** program, we are able to empower thousands of teachers across Luzon, Visayas and Mindanao on the latest ICT tools in teaching. This program aims to create a sustainable community of passionate educators who are advocates of teaching with technology.

This March, we are happy to announce that we are opening the applications for the Microsoft Education Ambassadors Program for 2017 – **Region VII leg this March 4, 2017 at the Holy Name University.**

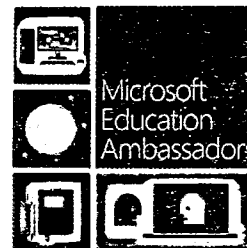

We would like to request your organization to recommend individuals whom you think would be interested and best fit to be a part of our program. For an overview, you may click the link for a short overview - <http://bit.ly/MEAP2016>
