SUBJECT: BAYANIHAN HYGIENIC CAMPAIGN

Dear Sir/Madam:

Our project aims to create awareness among students the importance of hygiene when properly observed by everyone concerned without consideration of sex or gender in helping them to move away from embarrassment of having body odor in any form as minimizing their exposure to some forms of skin diseases infections and being able to overcome all of this and help to establish for themselves a feeling self - worth and confidence, as they grow up into pre-adolescence and adolescence period for a healthy life for the whole outcome of the community.

The MAKAMASA Health Care Team Assn. Inc., an NGO's a non - profit organization registered with SEC. No. 201231033 would like to request a permit from your good office to allow our Health Promoters and Staff to conduct lectures to different schools under your division.

Thank you very much for your support and more power!

GOD BLESS!

Respectfully yours,

MR. STEPHEN A. FABULAR
