Attention: **Dr. Marilyn M. Miranda**, Regional SPED Supervisor

Dear Dr. Jeruta,

Warm greetings from Resources for the Blind, Inc.!

We, at Resources for the Blind, a non- government organization, have been providing programs and services to Filipino individuals with visual impairment for the past 25 years. One of the services we continually provide since 1992 is the Summer Training Program for School Teachers for the Blind and visually impaired learners in partnership with Department of Education, SPED Division. The trained teachers come from different regions of the country. Our valuable partnership from the Dept. of Education made our mission to visually impaired children successful.

Aside from the regular training, the teachers are also ask to attend special seminars to make them effective in teaching the blind and visually impaired. We also have constant monitoring to these teachers. Our office in partnership with Hilton Perkins International would like to further help the trained teachers in the implementation of the program for Children with Multiple Disabilities and Visual Impairment. In this regard, may we ask your good office to allow our staff, **Ms. Ching Romares**, Education Coordinator, RO 7 and the undersigned to visit the SPED Program for the Visually Impaired in your region from *August 23-26, 2016, September 1-2/6-9, 2016, October 4-7, 2016 and November 15-18, 2016?* ~~The visit aims to provide~~ technical assistance to our trained teachers in providing appropriate and effective educational services to children with multiple disabilities and visual impairment (MDVI). Please find attached list of trained teachers to be visited for your reference.

Looking forward for your favorable approval. Thank you very much for partnering with us.

Sincerely yours,

JOY C. FEDELIS
