Subject: Basa Pilipinas' Kindergarten Literacy Assessment

Dear **Supt. Zapanta,**

Greetings from *Basa Pilipinas*! I hope you are well.

The USAID-funded Basa Pilipinas Program will conduct a baseline Kindergarten Literacy Assessment on September 18 – 29, 2017 to randomly selected schools in the eight Basa-supported divisions in Region I and Region 7. For Tagbilaran City Division, Manga Elementary School is among the said randomly selected schools. This activity aims to assess student progress in key aspects of literacy learning at the Kindergarten level against the national Kindergarten curriculum. Fourteen (14) pupils from each school will be selected to participate.

Relative thereto, Basa Pilipinas will hold an orientation meeting on **September 5, 2017, 9:00 AM** at the **Panda Tea Garden Suites** in Tagbilaran City to present the Kinder research design and data collection plan. Participants to the said orientation meeting are the SDS, CID Chiefs, EPS for Kindergarten, DepEd Basa Coordinators, and the School Heads of the randomly selected schools both from the Divisions of Bohol and Tagbilaran City.

We would like to emphasize that the purpose of the data collection activity is to determine status of literacy instruction and student performance in key aspects of emergent literacy in Kindergarten and not to assess the individual performance of any selected school, school head, teacher or learner. The results will have no bearing on the performance and career advancement opportunities of any individual school head or teacher. Please advise your teachers accordingly, in case they have concerns regarding this matter.

If you require more information, please do not hesitate to contact me at **0905.458.8912** or VZapanta@deped.gov.ph.

Thank you and warm regards.

Sincerely,

LOUCILLE ALCALA-DABHI
