SUBJECT: RED CROSS SCHOOL AID

Dear Dr. Zapanta:

Greetings!

For so many years, the Philippine Red Cross has proven as a strong partner of the government in alleviating human suffering especially to those who are victims of natural and man-made disasters. In times of peace, the Red Cross promotes and conducts various services like, blood program, safety services trainings, health and social services trainings, disaster management preparedness trainings, and youth development. These were made possible through the donation and trust of the people who firmly believe the humanitarian mission of the organization.

We would like to extend our profound gratitude to the Department of Education Tagbilaran City Division for your unceasing support to our humanitarian endeavors. Your financial assistance greatly help us to continue our services to the public especially during emergencies and disasters.

Further, we would like to initially report in your good office that some of our Elementary and Secondary schools under your division have already remitted for the school year 2015-2016. This report is up to September 2016 Only. Attached herewith are the list of schools who have already remitted to our office for your reference. If one of your school is not listed and they have already paid their yearly contribution, please disregard the notice of collection and report it to our office the Official Receipt number and date of remittance for updating.

Likewise, attached herewith also is the letter or notice of school aid collection for the schools who have not yet remitted the 2015-2016 collections, and to support our financial aid for this school year 2016-2017. In this light, we would like to humbly request from your good office to support our cause for this year. This will enhance and continue our services to the public through the different services offered by the organization.
