Dear Dr. Jureta:

Greetings from The Teacher's Gallery. We would like to invite you to the first international summit in inclusive education on November 14-16, 2016 at the SMX Convention Center with the theme - Opening Minds, Opening Hearts: Putting Values into Action. The Summit aims to guide all stakeholders build their capacities in implementing a sustainable inclusive school for students with disabilities with the end goal of building a thoughtful and proactive community for inclusive education.

Please know that we have invited internationally renowned experts in inclusive education namely Dr. Tony Booth from United Kingdom who authored the Index to Inclusion, David Hoff from Boston, Massachusetts, the Director of the Institute for Community Inclusion and Els Maathius, Senior Educator Adviser of Save the Children. They will be joined by our legislators from the Congress and Senate to share the legislative framework that would support public policy and its implementation in genuinely serving the people with disabilities.

Further, please join us in celebrating at this Summit the abilities of our people with disabilities and having them share their stories of struggles and success. Also, we would love your teachers to join our dance/sing/art contests that would communicate the conference theme with the objective of creating a fun filled learning event for everyone.

Enclosed are the Dep Ed Advisory for this conference, the information flyer on the registration details and the contest poster.
