Good day **Dr. Zapanta,**

We would like to express our heartfelt appreciation and gratitude for your support during last year's **Legacy Volleyball Tournament** which was participated by 21 teams (9 boys, 12 girls) from schools within the Tagbilaran City Division. With it's success, it visibly helped the volleyball program of the City of Tagbilaran resulting to form a team that is recognizable in Central Visayas and catapulted it's rank particularly in the CVRAA Meet.

This year, the Legacy Volleyball League we will be holding its second installment, the **LEGACY 2.0 VOLLEYBALL TOURNAMENT**. We will kick start the tournament with a preliminary opening this coming Saturday, October 7, 2017 at the UB Quadrangle. Attached are the details and guidelines of the tournament for your perusal.

With this, we would like to ask for your support and endorsement as we will once again invite the different Tagbilaran City Division schools to participate in this one of a kind tournament. We believe that it is necessary for us to ask for the blessing from your office as we mutually continue to help our athletes improve.

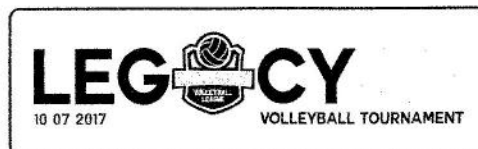

Surely, this tournament would also serve as a preparatory tournament before the City Meet and that the competition will provide great experiential learning and exposure for our athletes as well as for the coaches and interested officiating officials.

It has always been our belief that the role of sports in our community, especially the youth, is vital and complementary to the holistic development of every individual. Such development would hopefully lead to produce a better and responsible citizen in our community.

Thank you and God bless.

Truly yours,

LEMUEL O. BELARMINO, CPE, Ph.D.
