REPUBLIC OF THE PHILIPPINES  
DEPARTMENT OF INFORMATION AND  
COMMUNICATIONS TECHNOLOGY

21 November 2017

Juliet A. Jeruta, Ph.D.  
Director III  
Department of Education  
Region VII

Dear Dr. Jeruta:

Greetings from the Department of Information and Communications Technology (DICT)!

It is the DICT's mandate to ensure the rights of individuals to privacy and confidentiality of their personal information; ensure the security of critical ICT infrastructure including information assets of the government, individuals, and businesses; and provide oversight over agencies governing and regulating the ICT sector and ensure consumer protection and welfare, data privacy and security, foster competition, and the growth of the ICT sector.

To fulfill this mandate, National Cybersecurity Plan (NCSP) 2022 was launched last December 9, 2016 and followed by a Roundtable Discussion with different NGA's, Academe and Private Sectors last January 23, 2017. It aims to address the urgency to protect the nation's Critical Infostructure; Government Networks both Public and Military; Small Medium Enterprises to Large Businesses, Corporations, and its supply chains; and every Filipino using the internet.

Under the 4<sup>th</sup> Key Imperative of the NCSP, we have identified the integration of Cybersecurity in the education system as a vital tool in creating awareness, thus protecting each individual.

To fulfill this mandate, we are holding a CyberSecurity Awareness Caravan that aims to raise awareness on the importance of Cybersecurity and to help educate, empower, and protect the individuals in cyberspace. The seventh leg of our Caravan is on **December 18, 2017**, 9:00 AM to 3:00 PM at the Gymnasium of University of San Carlos, Cebu City. This caravan is the Cybersecurity Awareness Campaign of DICT that will be held in different regions of the Philippines.

In line with this, we would like to ask your assistance in endorsing our Cybersecurity Caravan to Schools and Universities in Cebu for their attendance and participation in our campaign. Our target no. of participants is 3000 students. Registration is free.

Should there be any inquiries, please email Ms. Christine Apple B. Pre at [christine.pre@dict.gov.ph](mailto:christine.pre@dict.gov.ph).

Thank you very much and warm regards.

Sincerely,

  
Allan S. Cabalung  
Assistant Secretary for Cybersecurity and Enabling Technologies  
Department of Information and Communications Technology
