Dear Doctor Zapanta:

Greetings from Governor Celestino Gallares Memorial Hospital!

We are pleased and happy to share with you the good news that Governor Celestino Gallares Memorial Hospital is now accredited by the PhilHealth to accept our Public School teachers for their Primary Care Benefit Package availment.

This can be great advantage to our dear teachers during the annual check-up since their laboratory procedures will be charged to PhilHealth.

In this light, we are respectfully requesting for your proposed masterlist of teachers you want to be served by Gallares for them to enjoy the opportunity of saving money and enjoying this privilege through Philhealth benefit availment.

We shall schedule their visits and establish a fast lane so as to provide convenience to our dear teachers as they deserve no less.

Looking forward to sharing the health service to you and your team, which will be our honor.

Respectfully yours,

 Mutya Kismet T. Macano, MD, FPPS, FPSNB, MDM
 Medical Center Chief II
