Below is the list of talks:

Managing Finances

In line with these, we would like to ask the permission of your good office to allow us to conduct these seminars in different units/departments of the local government offices either on March 26 (Monday), March 27 (Tuesday) and March 28 (Wednesday) whichever is convenient to you. Each topic runs for one hour and a half (1.5 hr.). Each local government unit/department may choose the topics relevant for them. We are giving these seminars for free because we would like to help the professionals in your place to discover their maximum potential at work and in their life as a whole.

We are hoping to hear from you.

Sincerely,
