DATE: 5/11/18 cmw

Dear Dr. Zapanta:

Greetings!

The National AIDS and STI Prevention and Control Program (NASPCP) would like to inform you and your office that we will be conducting a simultaneous commemoration of the International AIDS Candlelight Memorial in Bohol on May 18, 2018 (Friday) with the theme, "Reflecting on our Past, Preparing for our Future."

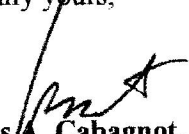

The International AIDS Candlelight Memorial serves as a community mobilization campaign to raise social consciousness about HIV and AIDS. The International AIDS Candlelight Memorial serves as an important intervention for global solidarity, breaking down barriers of stigma and discrimination, and giving hope to new generations. It reminds us of the impact that HIV still has on our lives.

The mission of the International AIDS Candlelight Memorial is to honor, support, and advocate for those who have been affected by the global HIV epidemic through mobilizing communities for a world where people do not die of AIDS and people living with HIV can live in health and with dignity.

With this, we would like to humbly extend this invitation to you and to Department of Education Tagbilaran City Division to join us in this short but meaningful commemoration. Should you need more information, please contact the Provincial Coordinator Mrs. Milagros Israel at 0923-740-0051 or through this office's numbers.

We are counting on your support.

Respectfully yours,

Reymoses A. Cabagnet, MD, MPH
Provincial Health Officer II
