Dear sir/madam,

We are very excited to invite you to the newest attraction located in the Barangay of Upper Bonbon, Loboc. **LOBOC WILDLIFE AND NATURE PARK** is a one of a kind facility where one could see and interact with a myriad of animals- birds, fishes, reptiles and mammals. Not only that, being set in the middle of a forest, it is also a haven for local flora such as gmelina and mahogany trees and a lot more.

It will be a great opportunity for teachers to bring their students for educational enrichment, or for employees to come for their bonding activities.

In lieu with this, we are offering discounts for school tours and group tours. Should you be interested, you can make reservations through our mobile number or email address provided above.

Thank you so much and we hope to see you there.

Yours truly,

MARIE MARJORIE DAGDAYAN

Operations Manager
