REGIONAL MEMORANDUM

No. 0463, s. 2018

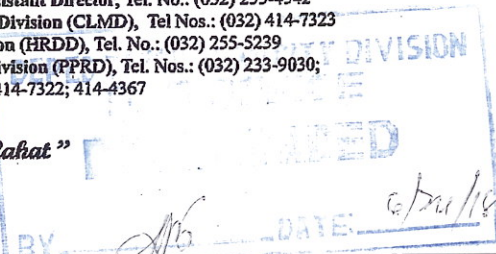

TO : SCHOOLS DIVISION SUPERINTENDENTS
FROM : DIR. JULIET A. JERUTA
SUBJECT : OPLAN KALUSUGAN SA DEPARTMENT OF EDUCATION (OK sa DepEd)
ORIENTATION
DATE : June 22, 2018

1. World Health Organization (WHO), a country's investments for an effective school health program is considered to be a cost-effective investment as it simultaneously improves health and education. Many of the current and future causes of death, diseases and disability can be significantly reduced by detecting highly vulnerable individuals in the Department of Education preventing unhealthy behaviors and identifying and referring sick and malnourished schoolchildren to receive health care while in school. Early detection is critical thus school administrators, staff and teachers are in a position to identify nutrition and hygienic issues, substance abuse, and risky sexual behavior.
2. In response, the Bureau of Learner Support Services (BLSS)-School Health Division (SHD) implements several health and nutrition programs to maintain and improve the health of schoolchildren and personnel through the prevention and control of diseases and the promotion of health-related knowledge, attitudes, skills and practices. Thus, DepEd will be launching the Oplan Kalusugan sa Department of Education (OK sa DepEd) which is a convergence of DepEd's health programs, plans, policies and activities for effective implementation at the school level, in partnership with various stakeholders. OK sa DepEd aims to promote and provide all learners and DepEd personnel with a sustainable holistic school health program towards better learning and outcomes.
3. In this connection, orientation for the health personnel, school heads and health program focal persons should be conducted and to be spearheaded by your division medical officer in preparation for the week-long launching which will be on July 9-16, 2018. Orientation schedule be done at a favorable date before the launching week. Downloaded amount of Php 50,000.00 from DepEd Central Office will be use for the launching activities.
4. Attached herewith are the 5 main strategies that will direct the efforts to implement the program and the suggested list of activities for the 5-day schedule/program.
5. For your information and guidance, immediate dissemination and compliance.

HOW WILL OK SA DepED BE IMPLEMENTED

1. "OK sa DepEd" ALL IN ONE HEALTH WEEK (twice a year, in JULY and in JANUARY)

JULY (OPENING OF CLASSES) – 1 WEEK

- A. Orientation on policies, guidelines and evaluation tool for personnel, PTA, and partners on the conduct of deworming, immunization, school-based feeding, random drug testing, medical, dental check-ups and other school health programs as well as on parental consent and data gathering with emphasis on the importance of a reliable and updated database;
- B. Conduct of school health service activities such as medical and dental check-up screening, vision and hearing testing;
- C. Checking the facilities and other resources needed in the conduct of school-based health service delivery such as kitchens, canteens, clinics, WinS facilities, school gardens, and teen hubs, among others;
- D. Coordination with the partners to finalize deliverables and schedules of joint health activities for the school year such as deworming and deworming tablets, and school feeding baseline and endline data, among others;

JANUARY (AFTER HOLIDAY BREAK) – 1 WEEK

- A. Evaluation of the entire package of health-related school-based programs and services as well as program management;
 - B. Determination of whether deliverables are served on time and in good quality;
 - C. Evaluation of the database for reliability, accuracy, and being updated to ensure effective program management;
 - D. Determination of the challenges and gaps as well as best practices in program implementation and health service delivery, formulation of program adjustments and interventions as needed.
- 2. ESTABLISH REFERRALS AND LINKAGES WITH EXISTING PROVIDERS AND FACILITIES OPERATED BY DOH, LGUs, PRIVATE AND NGO-OPERATED HEALTH FACILITIES TO PROVIDE IMMEDIATE HEALTH SERVICES TO SCHOOL CHILDREN.**
 - 3. INCORPORATE HEALTHIER BEHAVIORS IN REGULAR SCHOOL AND CLASS ACTIVITIES, SUCH AS, WASHING OF HANDS BEFORE RECESS AND LUNCH, DAILY TOOTHBRUSHING AFTER RECESS AND LUNCH.**
 - 4. ESTABLISH AND DISSEMINATE ANNUAL CALENDAR OF HEALTH ACTIVITIES.**
 - 5. DOCUMENT "OK sa DepEd" HEALTH PROGRAM SUCCESS STORIES AND PUBLISH IN LOCAL AND NATIONAL DAILIES ("TELLING OUR STORIES").**
