Dear Mr. Dino,

I would like to thank you for accommodating myself, Consul Balázs Ratkai and Honorary Consul Enrilen Joy Benedicto-Tan last 17 May 2018.

Recalling our good conversation, I am very pleased to have shared with you the Stipendium Hungaricum scholarship programme. Although the deadline for school year 2018/19 already expired prior to our meeting but the call for applications for SY 2019/20 will commence sometime December this year. For more information, the site [www.studyinhungary.hu](http://www.studyinhungary.hu) will provide more details to interested parties as well as <http://www.tka.hu/international-programmes/7726/scholarship-programme-for-christian-young-people> for special programs for Your Christians.

I would like to ask your kind support and that of your office in disseminating this information to interested parties in your region. I am confident that you will be able to assist us in ensuring that this call for application finds a good audience. Please send us the details of a contact person so we can provide updates on the Stipendium scholarship programs in the future.

I am also very grateful for allowing us to present with you the Hidrolift Ltd. The company has an expertise in water treatment and is currently doing a study for the rehabilitation of Laguna Lake. We are more than willing to extend the same assistance to Cebu should you need so as well as the mobile water treatment device also mentioned during the meeting.

For future reference, I enlisted here the details of our Honorary Consulate in Cebu:
