RE: Request for Circular Memo

Dear Sir:

Greetings of peace and good health!

As the University of the Visayas celebrates its 100 years of providing quality and affordable education to all in 2019, the College of Education Alumni Association takes pride of joining in this grand and historic celebration of which the kick off of the event is in December, 2018 while the Grand Alumni Homecoming for all colleges is in January 2019.

The alumni is taking its bold and ambitious move of achieving the highest number of participants on this big occasion and through your kind cooperation I am certain that this move shall come for fruition. While the grand alumni homecoming for all colleges is held in the evening, the college of education is planning to maximize the event by holding the grand alumni homecoming in the morning.

It is on this note that, for and in behalf of the college of education alumni association, I am requesting your kind office to disseminate our invitation through your circular memo urging all Visayanian educators to participate.

Our requests are hereby stated below

1. Allow us to visit district schools all over Cebu or if not all schools covering Region VII.
2. Assign somebody from the district to be the focal person to get the list of teachers who are Visayanian.
3. Extend your letter to other regions, through the kindness of other regional directors, inviting all Visayanians educators to participate.
4. Urge principals and supervisors to actively involve in this info dissemination.
5. Other forms of info dissemination which you think is beneficial to our plan will be appreciated.

At this early, I would like to extend our thanks to you with the confidence that our kind and prompt action will surely realize our plan knowing that you also have the Visayanian spirit in you.

Respectfully yours,
