Greetings!

The Primer Group of Companies - one of the fastest-growing and most formidable names in retail, with operations in 10 countries and relationships with over 150 leading global brands in outdoor, travel, action sports, footwear, fashion, wellness and urban lifestyle, aims to undertake projects which are geared towards environmental protection and social development with partnership from different NGOs, government agencies and other development sectors.

In response to the United Nations Sustainable Development Goals (SDGs) #6 "Clean Water and Sanitation", last March 22, 2018 - the same day that the **World Water Day** is observed globally, the Primer Group's CSR together with the Philippine Business for Social Progress (PBSP), Municipal and Local Government of El Nido, Palawan turned over a **Water Filtration System** with expected output of at least 300 households provided with access to safe and potable drinking water.

This time around, the Primer Group's CSR intends to extend the project to a school community in Cebu with no access to clean, safe and potable and drinking water. With this, we are requesting your good office to link us to the school that is in dire need of water assistance.

We sincerely appreciate your consideration of our request and look forward to hearing from you soon.

Should you have any further questions, please feel free to contact me on 0997-7058-580 or kristine.villaflor@primergrp.com.

Sincerely yours,

Ms. Kristine Villaflor
