**GUIDELINES ON THE IMPLEMENTATION OF THE JOINT DELIVERY VOUCHER
PROGRAM FOR SENIOR HIGH SCHOOL TECHNICAL- VOCATIONAL-
LIVELIHOOD (JDVP- TVL) SPECIALIZATIONS
FOR SCHOOL YEAR 2018-2019**

I. RATIONALE

1. Republic Act (RA) No. 10533 or the “Enhanced Basic Education Act of 2013” recognizes the constitutional mandate of the State to “establish, maintain and support a complete, adequate, and integrated system of education relevant to the needs of the people, the country and society-at-large.”
2. RA 10533 thus directs the State to “create a functional basic education system that will develop productive and responsible citizens equipped with the essential competencies, skills and values for both lifelong learning and employment.” To achieve this, the state is further instructed to “broaden the goals of high school education for college preparation, vocational and technical career opportunities as well as creative arts, sports and entrepreneurial employment in a rapidly changing and increasingly globalized environment.”
3. Pursuant to these mandates, among the hallmarks of the K to 12 Basic Education Program is the Senior High School (SHS), which provides for a Technical-Vocational-Livelihood (TVL) Track along with three other Senior High School Tracks. The TVL Track has four strands: Agri-Fishery Arts (AFA), Home Economics (HE), Information and Communication Technology (ICT), and Industrial Arts (IA) that offer various specializations.
4. In RA 10533, it is provided in the transitory provisions that the Department of Education (DepEd), Commission of Higher Education (CHED), Technical Education and Skills Development Authority (TESDA), Technical Vocational Institutions (TVIs), and Higher Education Institutions (HEIs) shall coordinate closely with one another to implement strategies to ensure that the academic, physical, financial and human resource capabilities not only of HEIs, but also of TVIs, are utilized and not adversely affected.” In conjunction, there is a need to address transitory shortage in workshops, tools, equipment and teachers for the TVL Track in DepEd public Senior High Schools (SHSs).
5. RA 10533, Section 10. Expansion of E-GASTPE Beneficiaries also stated that the benefits accorded by Republic Act. No. 8545, or the “Expanded Government Assistance to Students and Teachers in Private Education Act”, shall be extended to qualified students enrolled under the enhanced basic education. The DepEd shall engage the services of private education institutions and non-DepEd schools offering senior high school through the programs under Republic Act 8545 and other financial arrangements formulated by the

DepEd and the Department of Budget and Management (DBM) based on the principles of public-private partnership.

6. Operating on this premise, the Joint Delivery Voucher Program for Senior High School Technical Vocational and Livelihood Specializations (JDVP-TVL) promotes partnerships between DepEd and qualified institutions as stipulated in RA 10533, and acknowledges the complementary roles of public and private educational institutions as stated in RA 8545 or the “Expanded Government Assistance to Students and Teachers in Private Education Act.” Under this law, the invaluable contribution that the private schools have made and will make to education and the complementary roles of public and private educational institutions are recognized towards the fulfillment of the mandate of the State to promote and make quality education accessible to all Filipino citizens. The State then undertook to provide mechanisms to maximize the use of existing resources of private education.
7. The said general mechanism under the E-GASTPE law was made more specific by the FY 2018 GAA by appropriating funds for Joint Delivery Voucher for Senior High School Technical Vocational and Livelihood Specializations intended to enable select DepEd public SHS students taking Technical Vocational and Livelihood Track to take their TVL subjects in private or non-DepEd public SHS subject to these guidelines. In addition, pursuant to Section 24 (Participating Schools), Rule VI (E-GASTPE Beneficiaries and Other Financing Arrangements with Private Educational Institutions and non-DepEd Public Schools) of RA 10533, the providers are expanded to include private TVIs subject to the guidelines.
8. This JDVP-TVL is designed to optimize TVL learning by allowing SHS students enrolled in public schools to avail of vouchers and take their TVL specializations in eligible partner institutions from either private or non-DepEd public SHSs, as well as TVIs, offering their desired specializations.

II. SCOPE AND COVERAGE

9. The JDVP-TVL Guidelines cover Grade 12 students enrolled in DepEd public SHSs under the TVL track who will be allowed to take their TVL specialization subjects in eligible private or non-DepEd public SHSs and private TVIs for School Year 2018-2019. This shall guide concerned offices in the Central Office, Regional Office, Schools Division Office and schools in the program implementation.
10. Subsequent to the implementation of the JDVP-TVL in SY 2018-2019, these guidelines shall be updated and enhanced for the succeeding school year based on the monitoring and evaluation data.

III. POLICY STATEMENT

11. The DepEd hereby issues the Guidelines on the Implementation of the JDVP-TVL whose primary objective is to enhance the capability of DepEd SHSs to implement the TVL track

through partnerships with institutions that are equipped with necessary resources (teachers, workshops, tools and equipment) to carry out the program, Specifically, the JDVP-TVL aims to:

- a. Enable the learners to complete their respective TVL specialization subjects through the JDVP-TVL Partners;
 - b. Provide an appropriate learning environment required of the specialization; and
 - c. Address delays in the provision of the necessary resources for TVL Specializations.
12. The JDVP-TVL is consistent with Republic Act 8545, both in terms of policy and form of assistance. Under this law, the invaluable contribution that the private schools have made and will make to education and the complementary roles of public and private educational institutions are recognized towards the fulfillment of the mandate of the State to promote and make quality education accessible to all Filipino citizens. The State then undertook to provide mechanisms to maximize the use of existing resources of private education.

IV. PROCEDURES

A. Brief Description of the Program

13. The JDVP-TVL is a tuition fee assistance to Grade 12 students in DepEd public SHSs, which have been identified as having inadequate facilities, equipment, tools and teachers with regard to the implementation of TVL specializations.
14. The tuition fee assistance shall be in the form of vouchers given to learner-beneficiaries to enable them to cross-enroll for the completion of TVL specializations in eligible private SHSs, non-DepEd public SHSs, or private TVIs (JDVP-TVL Partners).
15. The voucher amount shall be settled by DepEd upon validation of billing statements submitted by JDVP-TVL Partners based on training services rendered for learner-beneficiaries.
16. Payment will be made directly to the JDVP-TVL Partners and not through the learner-beneficiaries.

B. Learner-Beneficiaries

17. The beneficiaries are the Grade 12 students enrolled in the TVL Track in identified DepEd public SHSs for SY 2018-2019. The said DepEd public SHSs were assessed and selected by their respective Schools Division Offices (SDOs) and Regional Offices (ROs) based on the following criteria:

C. Amount and Coverage of Vouchers

19. A tuition fee voucher shall be granted to the beneficiaries in the qualified public SHSs in the amount of **Php 12,550.00** per learner-beneficiary.
20. The voucher shall cover the training costs for 320 hours per learner in any one or combination of 1 to 4 specializations taking into consideration TESDA Circular No. 12, s. 2017 and the TVL Specializations already taken in Grade 11. This shall cover tuition and miscellaneous expenses (e.g. consumables for the workshop) for the TVL training needed to complete the applicable specializations for Grade 12 from **August 13, 2018 to November 30, 2018** and subsidy for the assessment fee.
21. The voucher subsidy for the assessment fee in the amount of **Php 550.00** shall be limited to one National Certification (NC). The learner-beneficiary shall take the NC of his or her choice in any Assessment Center which must be conducted not later than **December 7, 2018**.
22. The JDVP-TVL Partners shall coordinate and make the necessary arrangements with the Assessment Center regarding the schedule of assessment which must be conducted not later than **December 7, 2018**.
23. The total amount that may be assessed by the JDVP-TVL Partners per learner-beneficiary shall be based on the average training cost under HE, AFA, IA, ICT and the amount of the Assessment Center (AC) fee which shall not exceed to **Php 550.00**.
