Dear Ms. Jeruta,

Good Day! In connection with the Neurological / Psychiatric Evaluation as a requirement for newly hired teachers under the Department of Education, we are sending this advisory letter that due to the volume of teachers who will undergo such evaluation, our manpower as well as our machineries could not be able to meet the deadlines of the evaluated results required by your institution. As the only government entity here in Metro Cebu who can provide such service, we are keen and meticulous enough to the best of our ability so as not to prejudice the results.

Thus, as agreed by our department, we finalize that the releasing of results in both psychological and psychiatric evaluation will be up to deadline which is maximum of 10 days only from the day of examination.

We are hoping for your cooperation and understanding on the said matter. Rest assured that we are dealing closely for the continuous improvement of our department and to fast-track our processes.

Truly yours,

Renato D. Obra, MD, FPPA, MM (IHSM)
Chairman
VMMC-CBS

to other concerned division
under your jurisdiction.
Thank you!*
