SUBJECT: Survey of the Implementation of the Mother Tongue-Based
Multilingual Education (MTB-MLE) Implementation

DATE: 08 October 2018

The Philippine Institute for Development Studies (PIDS), as requested by the National Economic and Development Authority (NEDA), is conducting a process evaluation of the Mother Tongue-Based Multi-Lingual Education (MTB-MLE) program. The study seeks to document the manner and extent of implementation of the MTB-MLE component of K to 12 basic education

As part of the study, the PIDS will conduct a survey to all public and private elementary schools in order to determine the extent of program implementation at the school level. In this regard, the Regional Offices (ROs) and Schools Division Offices (SDOs) are requested to:

- Designate a focal person from the SDO for lateral coordination with the PIDS research team. Send the names and contact details of focal persons to ps.prd@deped.gov.ph not later than 19 October 2018; and
- Request private and public elementary schools to accomplish the survey in the following link: <http://bit.ly/2ye55vE>
- With the PIDS research team, monitor the accomplishment rate of the survey.

All information collected in the survey will be kept in strict confidentiality and will not have any consequence to schools and respondents.

For further inquiries, kindly contact the Planning Service - Policy Research and Development Division (PS-PRD) at email address: ps.prd@deped.gov.ph or phone number: (02) 635-3976. For lateral coordination, please contact Ms. Jennifer Monje of the PIDS research team at email address idecenamonje@gmail.com or phone number 09274841768.

For consideration and appropriate action. Thank you.
