Maayong adlaw!

University of the Philippines Kadugong Bol-anon Diliman (UPKB Diliman), is the **first and only organization** of UP students in UP Diliman hailing from the province of Bohol and/or who are of Bol-anon heritage. We are **one of the duly recognized geography and ethnicity-based, non-profit student organizations** in the university. **Our establishment has been a productive avenue for providing home to hundreds of Bol-anon students** not only in UP Diliman, but also in Manila, Los Baños, Visayas and Cebu campuses. **We have also been at the forefront of developing a sense of service and responsibility** among our members, as well as **promoting the province of Bohol, our people, and culture** through various activities and engagement to high opportunities for the development of Bohol.

Continuing our prestige mission of promoting Bol-anon culture and developing our home province, UPKB Diliman, together with its partner institutions and organizations, will hold its biggest annual event, the **Academic Festival (AcadFest) 2019**. The **Academic Festival is an annual, school-based series of challenging competitions** that aim to **display the skills, talents and wit of Bol-anon students**. Over the years, the critical and quality events of the **Academic Festival has also grown to be a well-known public event** that a lot of our fellow Kadugong Bol-anon anticipate.

In this light, **we are humbly requesting the support of your office by endorsing Academic Festival 2019, held at Island City Mall, Activity Center on the dates of January 3-5, 2019**. Our theme for this year is **"LANTUGI: Tubag sa Hagit sa Panahon,"** and we believe that our goals align with the vision of your department, allowing us to expand our reach to the Boholano youth whom we are committed to serve. Furthermore, to ensure a **quality learning experience** for the students, we will be collecting **50 PESOS per individual as registration fees per event**. Our biggest competition, *The Great High School Debate*, will entail **300 PESOS per team**.

Rest assured that this future partnership is mutually beneficial. The partnership details are listed after this page. **Shall you have more concerns, please do not hesitate to contact us through the undersigned.**

We look forward to working with you in this venture!

Upholding the tradition of commitment and service since 1977, the University of the Philippines Kadugong Bol-anon has brought initiative light to communities in Bohol through its annual Academic Festival (AcadFest). It aims to coordinate with the schools in the province by exposing young individuals to trending and pertinent issues through academic-related activities.

In line with this, the UPKB has been incorporating talks regarding Pressing issues that concerns the Philippine society. Also, UPKB Diliman is now part of UP Sanlahi Alliance, a duly recognized congregation of different provincial, regional and ethno-linguistic organizations in the University, to give Bol-anon students the opportunity to compete with schools from all over the country. Last March 2017, some winners were given the chance to compete with schools from all over the country in accordance to corresponding contests held in UP Diliman, Quezon City.

UPKB, in partnership with the different schools in Bohol, also conducts School Tour to invite and encourage Boholano senior high school students to take the College Admission Test of the University of the Philippines. In line with this, the organization holds an UPCAT review to equip the students with an overview of what they'll be facing in the upcoming college entrance examinations.

Furthermore, the UPKB has spearheaded relief operations and medical missions for the earthquake victims last October 2013. Collaborating with the Association of Young Boholanos in Metro Manila (AYBM), the organization has helped in the reconstruction of parochial schools in Maribojoc and Loon. The UPKB has, in fact, produced a mass of professionals in their fields. Our very own Gov. Edgardo Chatto and UP Diliman Former Chancellor Caesar Saloma are just two of the organization's notable alumni.
