DR. VIRGINIA C. ZAPANTA, CESO V

Superintendent

Department of Education-Tagbilaran City Schools Division

Dampas District, Tagbilaran City

Dear Dr. Zapanta:

DATE: 11/19/18 OTF: 2:45

Greetings!

After the **Cultural Mapping Training for Local Facilitators**, which was conducted on October 15-19, a series of consultative meetings with the trainees from the Department of Education-Tagbilaran City Schools Division and the barangays of this city were conducted through the consultations, the respective roles of the mapping facilitators were established, the mapping processess were finalized and the schedule of the follow-up and actual mapping activities were determined.

The cultural mapping project will be very crucial in providing a comprehensive cultural profile of the City of Tagbilaran. The said profile will also serve as substantial reference in drawing up various city and barangay development plans. The mapping outputs will also be very significant for the enhancement of various education curricula.

To fast tract the conduct of the actual cultural mapping in the city, which has to be undertaken this year, additional mappers from each barangay will be tapped and a series of trainings will be provided to them. **The actual mapping will be undertaken in between the training period.** Below is the schedule of the trainings, to wit:

November 21:	Cluster 1 (Dao, Dampas, Poblacion 1, Poblacion 2, and Ubujaan);
November 22:	Cluster 2 (Booy, Manga, Mansasa, Poblacion 3 and Tiptip);
November 23:	Cluster 3 (Bool, Cabawan, Cogon, San Isidro and Taloto);
December 1:	All Barangays;
December 10:	All Barangays;
December 15 and 16:	All Barangays;

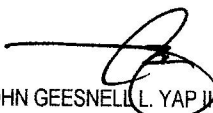

The training of local mappers and the conduct of the actual mapping in the barangays will be spearheaded by a cultural mapping facilitator trained by the National Commission for Culture and the Arts (NCCA). The facilitator, however, will be needing the assistance of those who participated in the *Cultural Mapping Training for Local Facilitators*, specially from Department of Education-Tagbilaran City Schools Division, in the conduct of the training and the actual mapping.

In this regard, I am soliciting your active support by:

1. allowing the trained DepEd teachers to assist in the conduct of the **training of local mappers** based on the respective schedule aforementioned;
2. allowing the trained DepEd teachers to assist the conduct of the **actual mapping** during weekends; and
3. providing service credits to the trained teachers who will assist in the actual mapping activities.

Attached in this letter is a list containing the names of the concerned teachers with their respective assignments in the barangays for your reference. Thank you very much for your kind attention to this request.

Very truly yours,

JOHN GEESNELL L. YAP II
City Mayor
