06 November 2018

Virginia C. Zapanta, Ed.D., CESO V
Schools Division Superintendent
Department of Education Tagbilaran Division
Tagbilaran City, Bohol

Dear Dr. Zapanta:

Greetings!

The Philippines has registered the fastest-growing HIV/AIDS epidemic in the Asia Pacific region in the past seven years. This is fueled by different challenges such as stigma and discrimination, gender inequality, misconceptions, and diverse structural, political, and cultural factors. This presents a reality and calls for a more comprehensive and integrated response to the HIV epidemic through multi-sectoral and multi-level participation.

Hence, in commemoration of the World AIDS Day, the Provincial Government together with its partners, the Department of Health, Gov. Celestino Gallares Memorial Hospital and Tagbilaran City Health Office, will be conducting an **HIV and AIDS Summit** on 03 December 2018 08:00 AM to 05:00 PM at Reyna's the Haven and Gardens, Tagbilaran City. The summit intends to:

- Create an avenue for an exchange of information/skills on HIV management;
- Inform and engage the stakeholders in advancing the welfare of People Living with HIV; and
- Mobilize various stakeholders to formulate strategies to help manage HIV and AIDS in their respective localities/area.

It is with this that we are deeply honored to invite from your educational institution 15 participants from the faculty and staff (school official, teacher, or school nurse) and 10 student representatives to join us in this engagement. We have attached the Summit Program and Photo Contest Guidelines for your reference.

For more information and for confirmation, please contact 0945-248-9155, 0943-058-5721. We are looking forward to your positive response.

Very truly yours,

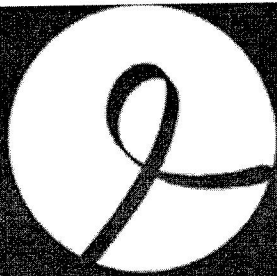

DR. REYMOSES A. CABAGNOT, MD, MPH
