University of the Philippines Kadugong Bol-anon Diliman (UPKB Diliman), is the first and only organization of UP students in UP Diliman hailing from the province of Bohol and/or who are of Bol-anon heritage. We are one of the duly recognized geography and ethnicity-based, non-profit student organizations in the university. Our establishment has been a productive avenue for providing home to hundreds of Bol-anon students not only in UP Diliman, but also in Manila, Los Baños, Visayas and Cebu campuses. We have also been at the forefront of developing a sense of service and responsibility among our members, as well as promoting the province of Bohol, our people, and culture through various activities and engagement to high opportunities for the development of Bohol.

As you may know, one of the biggest academic events, the Annual KB Academic Festival (AcadFest) 2019 was held last January 3-5, 2019 with the theme "LANTUGI: Tubag sa Hagit sa Panahon". This has honed a lot of students to develop their wit, intellect, skills and interest in the academics. To take this into another level of challenge and competition, the winners that has been determined by the KB AcadFest 2019 are qualified to represent, not only their school, but Bohol and UPKB to the National Patalasanlahi 2019.

Patalasanlahi 2019 with the theme "Kinaadman: Dunong at Husay ng Kabataang Pinoy sa Mapanghamong Panahon" is a series of national inter-school academic contests for grade school, junior and senior high schools originating from various regions and provinces in the Philippines. Ever since our alliance to UP Sanlahi, the organizers of Patalasanlahi 2019, we have been constantly sending the AcadFest winners to this event, which has always been possible with your help. This year, the Alliance is spearheading the Patalasanlahi 2019 on March 2-3, 2019 at the University of the Philippines Diliman.

We have already received the travel order endorsement of DepEd Tagbilaran and UPKB Diliman is very grateful. However, schools are requesting for an official business endorsement such that their travel expenses will be shouldered by DepEd Tagbilaran since the students and the school do not have the capacity to make it to the National Patalasanlahi 2019 without the help of DepEd Tagbilaran. This is very important for them since this is an opportunity to hone the competitive spirit of Bohol and to expose their talent in the national stage. This is also a good learning experience with free registration fees for the students.

The qualified students who won during the AcadFest are listed after this page. If you have any clarifications or queries, please do not hesitate to contact us through the undersigned.

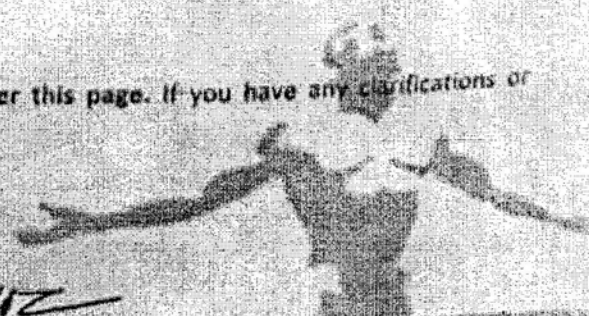

We look forward to working with you in this venture!
