Dear Dr. Ojastro,

We are pleased to invite you to the first ever **PURE LOVE YOUTH SUMMIT** on the theme: *"The Power to Change a Nation: Practicing Pure Love and Conscience-Driven Leadership in the Young People"* on March 02, 2019 from 8:30 a.m. – 4:30 p.m. at Panglao Cultural Center, Poblacion, Panglao, Bohol.

This event is organized by Women's Federation for World Peace (WFWP) – Philippines and World Collegiate Association for the Research of Principles (W-CARP Bohol) in partnership with the Sangguniang Kabataan (SK) Bohol, and Municipality of Panglao.

The Province of Bohol, amidst its promising economic progress, is facing a formidable challenge in the areas of social development in the context of cultivating the young human capital as stewards of a healthy and sustainable province. Morally upright decision-makers and genuinely honorable stewards are essential foundation in creating socio-economic stability. However, due to the alarming degeneration of family's core values, social and economic problems such as: broken families, pornography, HIV-AIDS, teenage pregnancy, drugs abuse, and online game addiction – are casting dark clouds over the forecast of a bright future.

This one-day unique youth education and leadership summit consists of lectures on the premise of family as the school of love, empowering the conscience as key to happiness, universal peace principles, networking for student leaders, SK Officers. It is designed to help the participants understand the root causes of socio-economic problems, find their respective roles in trailblazing solutions, and inspire them to dream of building a great country.

WFWP is an accredited NGO in General Consultative Status with the United Nations Economic and Social Council (ECOSOC), and accredited by the Sangguniang Panlalawigan of Bohol.

A registration fee of P200 will be collected to cover food and kit. Please see attached program.

With this, may we respectfully request your good office to encourage and extend invitation to all secondary student leaders preferably SSG/SC and advisers of your division to attend this summit which can be part of their Youth in Nation- Building-related activity/program.

For further information, please contact Mr. Dale Cyril Dejecacion at 09476921456 or by e-mail at wfwpphilippines@gmail.com.

We sincerely hope that you will join our efforts, as we pave the way for the youth to be the honorable and incorruptible stewards of a peaceful and sustainable model province of Bohol.

Sincerely,

MERLY BARRETE- BARLAAN
National President

Republic Act 8044 - Youth in Nation-Building Act

SECTION 1. Title. — This Act shall be known as the "Youth in Nation-Building Act."

Sec. 2. Policy. — The State recognizes its responsibility to enable the youth to fulfill their vital role in nation-building and hereby establishes the National Comprehensive and Coordinated Program on Youth Development, creates the structures to implement the same and appropriates adequate funds to provide support for the program and implementing structures on a continuing sustained basis.

The State hereby declares that "Youth" is the critical period in a person's growth and development from the onset of adolescence towards the peak of mature, self-reliant and responsible adulthood comprising the considerable sector of the population from the age of fifteen (15) to thirty (30) years.

The State further declares the National Comprehensive and Coordinated Program on Youth Development shall be based on the following principles:

(a) Promotion and protection of the physical, moral, spiritual, intellectual and social well-being of the youth to the end that the youth realize their potential for improving the quality of life;

(b) Inculcation in the youth of patriotism, nationalism and other basic desirable values to infuse in them faith in the Creator, belief in the sanctity of life and dignity of the human person, conviction for the strength and unity of the family and adherence to truth and justice;

(c) Encouragement of youth involvement in character-building and development activities for civic efficiency, stewardship of natural resources, agricultural and industrial productivity, and an understanding of world economic commitments on tariffs and trade and participation in structures of policy-making and program implementation to reduce the incidence of poverty and accelerate socioeconomic development; and

(d) Mobilization of youth's abilities, talents and skills and redirecting their creativity, inventive genius and wellspring of enthusiasm and hope for the freedom of our people from fear, hunger and injustice.
