Division Memorandum
No. 099, s. 2019

RABIES AWARENESS MONTH

**TO: All Public Elementary and Secondary School Heads
All Others Concerned**

1. This Office hereby disseminates a communication from City Agriculture and Veterinary Office informing that every March of the year is declared as **Rabies Awareness Month** with the theme “*Makiisa Sa Barangayan Kontra Rabies. Maging Responsableng Pet Owner*”.
2. A lined-up series of activities such as free rabies vaccination, spay and neuter and information education campaign were prepared among barangays/schools which have low turn-out during their rabies vaccination and identified as high risk areas with the highest dog biting incidence and with positive case of canine rabies base on laboratory examination.
3. In this connection, there will be a conduct of film showing activities in selected schools for 30 minutes to bring awareness in the control and prevention of rabies because school children are the common victims.
4. Immediate and wide dissemination of this Memorandum is highly required.

Sir :

Greetings !

Please be informed that every March of the year is declared as RABIES AWARENESS MONTH with the theme" MAKIISA SA BARANGAYAN KONTRA RABIES .MAGING RESPONSABLENG PET OWNER." In line with this, we have lined-up series of activities, such as free rabies vaccination, spay and neuter and information education campaign among barangays/schools which have low turn- out during our rabies vaccination and identified as high risk areas with the highest dog biting incidence and with positive case of canine rabies base on laboratory examination.

In this connection, please allow us to conduct film showing activities in selected schools for 30 minutes to bring awareness in the control and prevention of Rabies because school children are the common victims. We will be arranging our schedules directly to the different school principals concern for this activities.

Your whole hearted support and cooperation is highly appreciated on this important matter.

Thank you and more power.

Very truly yours,

VICTORIA B. LIMBAGA, DVM,MPA
City Veterinarian
