Dr. Ojastro:

Greetings in the name of our Lord Jesus Christ!

**Student Movement for Christ International (SMCI) - a non-denominational, non-profit,** Bible-believing, Christ-centered student Christian organization, registered and recognized in various Colleges and Universities all throughout the Philippines. We endeavor to promote **spiritual and moral recovery** among the youth primarily through sharing the life-changing gospel of the Lord Jesus Christ.

Last 2017, your good office approved our **annual evangelistic campaign in all secondary high schools** under your division. We were very grateful for the approval of that activity and it was a great success, by God's grace. This year, we would like to ask your good office if you would allow us to conduct the same campaign in all secondary high schools in the City of Bohol **within July 15 to July 19, 2019**. We are asking at least 20 to 25 minutes of the class time to share the Gospel message per classroom. And to help us do this, teams from the United States of America, Indonesia and Singapore are coming over spearheaded by SMCI President, international evangelist and author Michael Redick.

In connection to this, we seek permission from your good office to allow us also to visit the **Alternative Learning System (ALS)** here in Tagbilaran City and share the gospel of the Lord Jesus Christ with the students in every class for only 20-25 minutes any time convenient to the school's schedule. We are expectant that through this, we can make an impact in the lives of the young people here in Bohol, by the grace of God.

Your favorable response to this request is highly appreciated.  
Thank you very much.

Yours respectfully,
