## **ADVISORY**

### **1. TARGET POPULATION**

All learners from Kindergarten to Grade 7 for the school year 2019-2020 with zero (0) or one (1) dose of measles containing vaccine.

### **2. ADVOCACY AND DISTRIBUTION AND RETRIEVAL OF INFORMED CONSENT FORMS**

Teachers and school clinic staff shall inform learners and parents and on school-based immunization in school, distribute and retrieve informed consent forms for measles containing vaccine and tetanus-diphtheria vaccination.

### **3. SCREENING OF IMMUNIZATION STATUS**

Teachers and school clinic staff shall conduct screening for learners for their immunization status starting June 2019. This can be done by checking the immunization card or the school health record.

### **4. MASTERLISTING**

Teachers and school clinic staff shall accomplish the masterlist of eligible learners for vaccination. All learners with zero (0) or one (1) dose of measles containing vaccine will be included in the masterlist of learners to be vaccinated on the scheduled dates of vaccination provided by the City/Rural Health Unit.

### **5. IMPLEMENTATION**

All Grade 1 and 7 learners will receive 1 dose of tetanus-diphtheria vaccine regardless of immunization status. All Grade 4 female learners will receive 1 dose of Human Papilloma Virus vaccine. A separate masterlist form for Grade 1, 4, and 7 will be provided.

**Implementation of School-Based Immunization Program (SBIP) will be on June 2019 to September 2019.**
