I am Marcela Arac Tisoy, 54 years old and a resident of Booy District Tagbilaran City. I am a public school teacher assigned in Booy Elementary School handling Grade 2 pupils. I am married to Christopher Allan Tisoy Sr. I have three (3) dependent children including my husband who is unemployed.

I am presently confined in the Governor Celestino Gallares Hospital and was diagnosed with closed fracture proximal femur secondary to fall which required for the ORIF local plating femur, (R).

The said procedure was diagnosed as the closed fracture P3rd Right Cardiac Dysrhythmia with titanium implants administered by Dr. Erwin Mondragon, Orthopedic Surgeon.

The implant is worth P80, 000.00 pesos and the professional fee is P60,000.00 pesos with a total of P140, 000.00 which is beyond the capacity of my family. Other hospital bills will be covered by the Philhealth.

In this connection, I am requesting for financial assistance to be able to settle the said accountability.

Thank you for the generosity. God rewards you multiple times.
