## Annex B – USD Process on LIS-BEIS on Issues and Concerns

1. Fill out online form completely and state all the necessary information regarding the issue to be processed accurately.
2. DepEd or Gmail email address is required to access the form.
3. A request submitted by the Regional Planning Officer or a regional staff on his/her behalf through the online form will be considered as an endorsement. No need to send hard copies.
4. Once the form is submitted, a ticket number will be sent to the requestor's and school's email address provided in the form.
5. Use the ticket number to follow up on your requests. You may contact the Regional Office or call ICTS-USD Helpdesk landline and cellphone numbers for follow ups.
6. Aside from the updates on open tickets, a spreadsheet with the ticket number of the issues will be shared to Regional Planning Officers for monitoring purposes.
7. The requestor and school email address can also receive updates regarding their open tickets every step of the process.
8. This is a FIRST ENTRY, FIRST SERVE basis. Requests received thru the online form will be prioritized. Requests received through all other means will take no notice.
9. Avoid submitting multiple requests with the same concern. This will decrease the efficiency of the process.
10. Submission of requests must be 1 entry per school, per issue. Consolidate similar issues of a particular school. Example: 1 entry for School A LRN Merging, another entry for School A Un-enrolment, another entry for School B LRN Merging.
11. There is no need to physically visit the User Support Division office for issues to be resolved. Requests from walk in clients will be queued within the ticketing system and not be processed instantly.
12. For requests with incomplete details and missing requirements, the ticket will remain open until the lacking documents are received on or before the 30<sup>th</sup> day from the date the feedback was sent to the email address of the requestor and school. Otherwise, ticket will automatically be closed and new request must be created re-attaching all the requirements.
13. To submit the lacking requirements, another request must be done online citing the ticket number of the original request for reference.
14. An updated Request Forms will be available in the LIS Support page.
15. Lastly, do not wait for the EOSY Updating to resolve all enrolment issues.
