Regional Director, DepEd Region VII
Central Visayas

Dear Dr. Jeruta:

Pax et bonum!

We will be hosting the '**International Trainings for Pedagogical Advancement**' with the theme, '**Forging Ahead towards Inclusive and Efficient 21st Century Pedagogical Practices**', on **September 6-8, 2019** at the **University of the Visayas-Main Campus, Jakosalem St., Cebu City**. Our goal is to provide the participants the opportunity to listen to plenary speakers who are experts in different fields; engage in workshops and discussion in the breakout sessions, and observe other experts and presenters.

We humbly seek your assistance to inform the licensed professional teachers in your area of responsibility through a regional advisory. This way they can attend the said conference in a voluntary basis, if they so desire. Attached herein is the instructional design of the said conference.

For other questions, please get in touch with us through inquiry.pcpd@gmail.com, or the following numbers: 0917-805-3370; 0933-867-4931; (02) 4180975.

In anticipation of your favorable response, allow me to extend my sincere gratitude in advance.

Sincerely,

Dr. Reynaldo Garnace
Conference Chair

International Training for Pedagogical Advancement

I. Course/Program Brief Description: A two-day Seminar-Workshop and breakout sessions on International Training for Pedagogical Advancement. The whole training is intended for language teachers, Technology Livelihood Education (TLE) and Technical-Vocational-Livelihood (TVL) teachers. PCPD's International Trainings for Pedagogical Advancement seeks to provide a forum for Filipino licensed professional teachers in the province as well as their foreign counterparts in the Southeast Asian region and other countries in the Pacific rim to undertake relevant and updated training workshops on current issues and emerging trends in the areas of social sciences, technical and vocational learning, Mathematics, Language. In light of the fast-paced digital lifestyles of learners, their parents, and their communities-at-large, it is crucial for 21st Century teachers to be aware of these developments, the challenges they pose and what they mean for the learners. The trainings will have parallel breakout sessions for the individual areas of specialization.
