Division Memorandum
No. MA2, s. 2019

DENGUE ALERT RESPONSE IN SCHOOLS

**TO: Division Health Personnel
Disaster Risk Reduction and Management Coordinators
Heads, Public Elementary and Secondary Schools
All Others Concerned**

1. The Department of Health (DOH) declared a National Dengue Alert due to the rapidly increasing number of cases observed in several regions. This calls for urgent response from all government agencies, including the Department of Education (DepEd), to address the health issue.
2. This Memorandum is issued to emphasize the urgency of the anti-dengue drive through the 4-S Strategy, which stands for **Search and Destroy, Seek early consultation, Self-protective measures, and Say “no” to indiscriminate fogging**. Likewise, to protect the learners from mosquito bites, **wearing of light colored pants is advised**.
3. Furthermore, the following activities are requested for DepEd:
 1. Ensure compliance to the 4S Strategy.
 2. Enhance Dengue Awareness in schools
 3. Coordinate with DOH and Rural Health Unit (RHU) for the installation of Insecticide-Treated Screens (ITS).
4. School officials are enjoined to support the anti-dengue awareness and initiatives.
5. Immediate dissemination and strict compliance to this Memorandum is highly desired.

REGIONAL MEMORANDUM
 NO. 0415 s. 2019

DENGUE ALERT RESPONSE IN SCHOOLS

TO: *SCHOOLS DIVISION SUPERINTENDENTS*

1. The Department of Health (DOH) declared a National Dengue Alert due to the rapid increase in the number of dengue cases nationwide in several regions. This calls for an **URGENT response** to all government agencies, including the Department of Education (DepEd) to address the health issue.
2. In this regard, emphasis of the urgency of the anti-dengue drive is of utmost importance in the Department of Education through the **4-S Strategy which stands for : Search and Destroy, Seek Early Consultation, Self-Protective Measures, and Say "NO" to indiscriminate fogging.** Likewise, to protect the learners from mosquito bites while at school, wearing of light-colored pants is advised.
3. Furthermore, the following activities are requested : **(a) Ensure compliance to the 4-S Strategy, (b) Enhance Dengue Awareness in Schools, (c) Coordinate with DOH and Rural Health Unit (RHU) for the installation of Insecticide-Treated Screens (ITS)**
4. In this light, Schools *(Division Office* through the **Health Personnel and Disaster Risk Reduction and Management Coordinators**) are requested to monitor closely the dengue outbreak in their localities. Please see attached communication for more of the details.
5. Schools Division Superintendent and other *school* officials are enjoined to support the anti-dengue awareness and initiatives.
6. Immediate dissemination and strict compliance to this Memorandum is highly desired.

MEMORANDUM

29 July 2019

For: **Regional Directors
Schools Division Superintendents**

Subject: **DENGUE ALERT RESPONSE IN SCHOOLS**

① The Department of Health (DOH) declared a National Dengue Alert due to the rapidly increasing number of cases observed in several regions. This calls for urgent response from all government agencies, including the Department of Education (DepEd), to address the health issue.

② This Memorandum is issued to emphasize the urgency of the anti-dengue drive through the 4-S Strategy, which stands for **Search and Destroy, Seek early consultation, Self-protective measures, and Say "no" to indiscriminate fogging**. Likewise, to protect the learners from mosquito bites, **wearing of light colored pants is advised**.

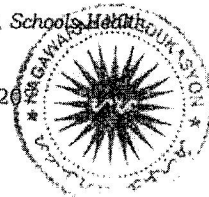

③ *Further*
During the Dengue Health Cluster Meeting with DOH, the following activities are requested for DepEd:

1. Ensure compliance to the 4S Strategy
2. Enhance Dengue Awareness in schools
3. Coordinate with DOH and Rural Health Unit (RHU) for the installation of Insecticide-Treated Screens (ITS)

Regions and divisions through the Health Personnel and Disaster Risk Reduction and Management Coordinators are requested to closely monitor the dengue outbreak in their localities. Reporting of cases of dengue shall be done at the school level through a software application to be developed by the Information and Communications Technology Service (ICTS). A separate memorandum is to be released for this concern.

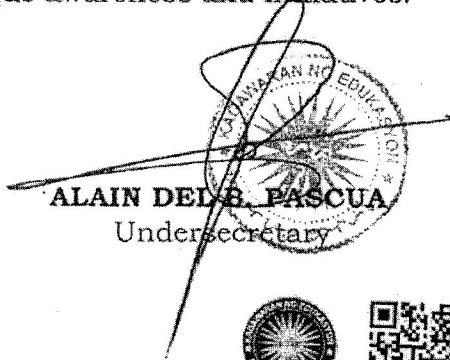

Office of the Undersecretary for Administration
