Division Superintendent
Department of Education, Tagbilaran City

Dear Dr. Ojastro,

Greetings from the Bohol Medical Society!

The Philippine Medical Association (PMA) – Bohol Medical Society will be celebrating the 62nd National Medicine Week on the 4th week of September with the theme "**Ipagdiwang: Pangkalahatang Kalusugan**".

As part of our weeklong series of activities we are planning to hold a **Depression and Suicide Forum** at the Holy Name University Gymnasium September 25, 2019 at 2:00pm.

We believe that this is a most relevant and pressing issue among the adolescents and young adults that needs to be addressed from multiple aspects. We endeavor to help by giving them knowledge about this condition.

In this regard, we would like to request that you send a representative from each school of Tagbilaran City to this event and we also request from your office, the number of Senior High students in Tagbilaran City so that we may plan the inclusion of other schools.

We hope that you can lend us your favorable support in this matter.

Respectfully,

Jefferson H. Ong, MD
President
Bohol Medical Society
