Dear **Mr. Ojastro**,

The De La Salle-College of Saint Benilde, through School of Deaf Education & Applied Studies, and Benilde Deaf School, has been strongly advocating for the implementation of the recently signed into law Republic Act 11106 or the Filipino Sign Language (FSL) Law. The law recognizes FSL as the official language to be used by government, media, and particularly schools when relating to the Deaf in the Philippines.

In line with this, we are staging the **"Supercharging teaching repertoire: Handy tips in making classrooms Deaf Inclusive"** seminar-workshop event on August 30, 2019 from 8am to 5:00pm at Life and Family Center, Our Lady of Lourdes Parish, Punta Princesa, Cebu City. Registration is free. The workshop will cover understanding Deafness, Filipino Sign Language, Bilingual Education, and some Teaching Strategies. Target participants will be Elementary and High School Special Education Teachers both from private and public schools.

I am asking your assistance if you can endorse the said activity to the Grade School and High School Special Education Teachers both from private and public schools in your area. They may register online at:

Feel free to contact me via email address sherlo.reyes@benilde.edu.ph or mobile number +63915.934.3417 if you have any questions regarding the event.

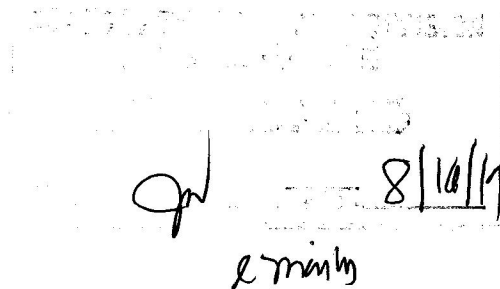

Looking forward to seeing participants coming from various schools of Bohol and nearby areas.

Warm regards,
