- Refer to Form 1 (Affiliation Form) for details on how to affiliate with PSYSC.

Procedure

PSYSC SCIENCE OLYMPIAD (PSO)
THE 16TH PSYSC SCIENCE OLYMPIAD
National Eliminations: 07 September 2019
National Finals: 28 September 2019

GENERAL GUIDELINES

1. The competition is open to all bona fide (Academic Year 2019-2020) Grade 5 and Grade 6 elementary students (Bracket I), Grade 9 and Grade 10 junior high school students (Bracket II), and Grade 11 and Grade 12 senior high school students (Bracket III). The student must be a member of a science club currently affiliated (September 2019) with PSYSC.
2. Each participating school can send only one (1) competing team per bracket. Each competing team should be composed of only three (3) members.
3. During the National Eliminations, each school can participate in only one (1) PSO testing site.
4. Participating schools are required to submit the registration requirements (see the attached registration guidelines) as well as inform the National Office through the numbers indicated.
5. The National Eliminations consists of a written multiple-choice examination taken individually. It is good for 60 minutes. No extension will be given to those who come in late. Participants are required to be in the PSO testing site at or before 8:00 AM.
6. The twenty (20) top performing schools for each bracket will then proceed to the National Finals, which consists of a preliminary written round (both theoretical and practical in nature) and an oral round. Only the ten (10) top performing schools for each bracket in the preliminary round will proceed to the oral round.
7. All national finalists will be awarded medals and certificates. National winners will receive:
SECOND RUNNER-UP: Php-15,000 worth of prizes: certificates of recognition, a trophy for the school, a bronze medallion for each team member, five thousand pesos (Php 5,000) cash for the team and 25% discount for NCSIW (Bracket I) or NYSTESC (Bracket II and III) for the team members and their coach.
FIRST RUNNER-UP: Php-25,000 worth of prizes: certificates of recognition, a trophy for the school, a silver medallion for each team member, seven thousand pesos (Php 7,000) cash for the team and 50% discount for NCSIW (Bracket I) or NYSTESC (Bracket II and III) for the team members and their coach
CHAMPION: Php-40,000 worth of prizes: certificates of recognition, a trophy for the school, a gold medallion for each team member, ten thousand pesos (Php 10,000) cash for the team and 100% discount for NCSIW (Bracket I) or NYSTESC (Bracket II and III) for the team members and their coach
8. The PSO Core Committee and the National Executive Council may change the guidelines whenever necessary, and their decision is final and irrevocable.

NATIONAL ELIMINATIONS

1. The exam will be conducted simultaneously on September 7, 2019 in 19 selected testing sites nationwide, which will be announced via PSYSC's web portals.

Participants are required to come at or before 8:00 AM at the respective PSO testing site for their region on the day of the competition.

2. The National Eliminations consists of a written multiple-choice examination taken individually. It is good for 60 minutes. No extension will be given to those who come in late. Participants are duly advised to follow the schedule for the National Eliminations.
3. Substitution of participants is only allowed before the start of the competition.
4. Questions will come from the following fields of science: Biology, Chemistry, Computer Science, Earth and Environmental Science, and Physics. A more detailed set of pointers will be made available to download from PSYSC NSCM online portals.
5. Participants are required to bring the following: At least two (2) pencils (Mongol No. 2), eraser, current school ID, and a non-programmable scientific calculator (Bracket II and III, only). Scratch papers will be provided by the organizers.
6. The final score of the team will be determined by adding the respective scores of the team members. In case of a tie, the scores in the two sets of clincher questions of the students will be considered. If a tie still exists even after the two sets of clincher questions, the winner will then be determined from the top scorer of each team.
7. The accumulated scores will be ranked and the twenty (20) teams with the highest scores per bracket (considering all the testing sites nationwide) will be the official participants to the National Finals.
8. There will be recognition of top schools and a top scorer in each site. This will be done on the same day, and medals and certificates will be awarded. Certificates of participation shall be awarded to all participating schools.
9. Individual scores, as well as overall rankings for the school, whether regional or national, will not be disclosed. The participating schools can request only for their accumulated or team scores.
10. Qualifiers to the National Finals will be announced on the very same day of the National Eliminations. Final results will also be available in all PSYSC Web Portals.
11. The twenty (20) top performing schools for each bracket will be given invitations to the National Finals. In the case where any of the twenty (20) top performing teams will not be able to attend the National Finals, the twenty-first (21st) team with the highest score will automatically qualify to the National Finals, and so on.
12. The National Finals will be conducted on September 28, 2019 in the National Capital Region (NCR). The guidelines for the National Finals will be available in all PSYSC web portals.
