Asst. Schools Division Superintendent  
Officer- In- Charge  
Office of the Schools Division Superintendent  
Tagbilaran City, Bohol

Dear Sir Ojastro,

Newborn Screening (NBS) is a public health program aimed at the early detection of infants who are affected by certain genetic/metabolic infectious conditions. Early detection and timely intervention can lead to significant reduction of morbidity, mortality and associated disabilities in affected infants.

The first week of October of each year is declared as the National Newborn Screening Week under Presidential Proclamation No. 540 dated January 20, 2004. This is in response to conduct an information campaign in order to create public awareness on Newborn Screening and to generate full support for it both the public and private sectors.

In line with the occasion, the Provincial Government of Bohol through the Provincial Health Office, with the support of Central Visayas for Health Development, Newborn Screening Center Visayas and other stakeholders will spearhead a (3K) Newborn Screening Fun Run 2019 on October 12, 2019 (Saturday) at Tagbilaran City at 4:30 in the morning. We humbly request for 10 representatives from the medical section of your institution to join the said activity. Assembly area will be at the Tagbilaran City Hall Ground @ 4:00 in the morning and Gun time will be at 4:30 in the morning.

Singlets will be provided. Please confirm the attendance by accomplishing the registration form/waiver attached and sent it back to us on or before October 4, 2019 (Friday) at Provincial Health Office located at New Capitol, Cogon District, Tagbilaran City.

Our point person responsible for the coordination of the activity is Ms. Machiavillia Luida M. Caliao, Provincial NBS Coordinator, Provincial Health Office @09279393469.

We are looking forward for your positive response on this request.

Thank you.

Very truly yours,

REYMOSES A. CABAGNOT, M.D.M.P.H.  
Provincial Health Officer II
