Dear Sir Ojastro,

Greetings!

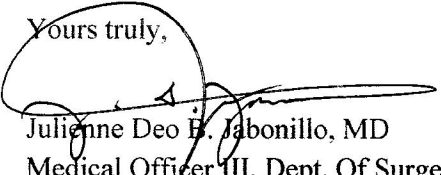

The Surgery Department of Gov. Celestino Gallares Memorial Hospital (GCGMH), Tagbilaran City together with the Bohol Medical Society and Rotaract Club of Tagbilaran will be commemorating **PINK OCTOBER**, a month about Breast Cancer Awareness and Implementation. **PINK OCTOBER** is an annual movement all over the world to raise awareness about breast cancer. This disease has been one of the causes of death in women when it comes to cancer. These activities and information drive will promote self-detection and encourage everyone, patients and employees alike, to seek consult for early treatment.

Being our partner in the advocacy of Quality Healthcare, GCGMH Surgery Department request for your support on this event. In connection to the event, we would like to ask your students and teachers to be participants of the **PINK OCTOBER FUN RUN/WALK FOR BREAST CANCER AWARENESS on October 20, 2019, 5:00AM. Registration is 350.00 Php, inclusive with Singlet and Post-run Snack.** Together we will once again be an instrument on the improvement of spreading awareness in Bohol. It will also be a fundraising activity for Bohol Medical Society and for the GCGMH Breast Clinic subsidy for Patients with Breast Cancer.

Attached will be the proposed schedule of activity for you to be guided.

Thank you and more power. Looking forward for your support

Yours truly,
