NERI C. OJASTRO Ph.D.
OIC-Schools Division Superintendent
Department of Education SDO
Tagbilaran City, Bohol

Dear **Dr. OJASTRO,**

A pleasant day to you!

We would to request for the assistance of your good office in disseminating the information regarding the conduct of the following training programs in research.

Activities	Objective	Speakers
Training Workshop on the Conduct of Scientific Research November 23, 2019 UST Angelicum College, Q.C	To discuss the international protocols in the conduct of scientific research	Denis Dyvee R. Errabo, PhD De La Salle University De La Salle Santiago Zobel School Former Senior Education Program Specialist, DepEd Central Office
Training-Workshop on Technical Writing in Research November 30, 2019 UST Angelicum College, Q.C	To guide the participants on the international standards of writing research reports based on the IMRAD format <i>Open for high school, college and graduate students and teachers</i>	Joseph R. Jacob, MaEd, MBA, FRIEDr Director, STEMHub President, National Science and Engineering Fair Philippines Former Supervising Education Program Specialist, DepEd Central Office
Forum on International Research Protocols and Publication December 7, 2019 UST Angelicum College, Q.C	To assist the participants on the international standards preparation for the publication of research in accordance to SCOPUS and ISI indexing requirements. <i>Open for high school, college and graduate students and teachers</i>	Former Supervising Education Program Specialist, DepEd Central Office

The training aims to strengthen the research skills of the participants in terms of development, implementation and publication and eventually lead to our advocacy which is to produce more citizens that are critical thinkers and problem solvers. For the past three years, we have already trained thousands of students and teachers and assist in producing hundreds of scientific researchers through our research mentoring programs and conferences. The events shall be conducted by our very own speakers with international research publication background and competence and champions of the research endeavours in the country and abroad.

We are hoping for your usual support in this effort to build a stronger nation through research and development. Thank you very much!

Sincerely,

Bill Oliveros
Training Program Coordinator
