To all Deped Personnel (Teaching and Non-Teaching Employees)
Tagbilaran City Division

Please **be informed** of the death of Leonor Pamaong De La Torre, once a Public Schools District Supervisor in Tagbilaran City and the mother-in law of Dr. Elisea G. De La Torre, CID Chief. She died **yesterday due to heart problems**.

In view of this, may we request all members of Tagbilaran City DepED family, Teaching and Non-Teaching to chip in a little amount to condole with the family in this saddest moment of their life and also to show love, respect and gratitude to a former Deped pillar. We also ask a moment of prayer for the eternal repose of her soul. Her wake is at their residence in Cogon District. We will just give updates of the wake and burial.

Thank you for the generosity. May the good Lord bless us all.
