I am very pleased to inform you that the Bohol Arts and Cultural Heritage (BACH) Council will be having a **Strategic Planning Workshop** on **December 17 (Tuesday), 2019**. The workshop aims to set the Council's priorities in the year 2020 in conjunction with the eco-cultural tourism thrusts of the Provincial Government of Bohol.

This will be a significant undertaking as the leadership of the Provincial Government of Bohol has been very bullish in recognizing the pivotal role and contribution of the arts and cultural heritage sector, especially in the field of formal education, in sustaining Bohol's breakthroughs in eco-cultural tourism development. The support of the government was very evident in its efforts towards reconstituting the Council through the election of its new sets of officers. The election was held during the BACH Council General Assembly on November 23, 2019.

In this connection, may I earnestly request the Department of Education-Tagbilaran City Schools Division to send representatives and take an active role during the conduct of the planning-workshop. We need resource persons from DepEd-City who can play an active role in the Council's Section on the Arts, particularly in the committees on **Drama, Dance, Music, Visual Arts, Literary Arts, Photography and Media Arts** and Section on Culture and Development, particularly in the committee on **Culture and Education**.

The workshop will start at 8:00AM and will be held at the Ceremonial Hall (4th Floor) of the New Capitol Building. For confirmation and/or inquiries as regards this invitation, you may contact Ms. Marie Bernadette Manigque through 09391631526. Please do make your confirmation to this invitation as soon as possible to enable the secretariat to make the necessary preparations.

Thank you very much for your kind attention to this request.

Truly yours,

FR. VALENTINO U. PINLAC
Chairperson
