GUIDELINES FOR THE RESEARCH CONFERENCE/COLLOQUIUM/PRESENTATION

1. Each presenter is given 5 minutes to present their research. Two (2) minutes before the time, a signal will be given to remind the presenter to conclude his/her presentation. The bell will be rung to signal that the time allotment is fully consumed. The presenter will stop from his/her presentation.
2. The order of the presentation will be arranged by the organizer. The presenter could no longer negotiate the arrangement.
3. The panel will give their questions, suggestions and recommendations only after all the presenters delivered their research entry. Each panelist will give 1 question plus a follow-up question per presenter. This is to be strictly implemented to give other panelist the chance to raise his/her question.
4. After the Oral Interrogation from the Panel members, if time allows, the audience may raise their question. However, it should be limited to the research presented.
5. Criteria

5.1. Best Research (DepEd Order No. 36, s. 2016)

Criteria	Weight
1. Research Output (85%) a. Usefulness/Significance of Research Usefulness to the school and/or community or contribution of the research to the existing body of information related to the study. b. Rigor Soundness of methodology (research design, data collection and data analysis).	
2. Research Presentation (15%) a. Mastery of the Research Ability in answering the questions c. Power Point Presentation The slides aid in the presentation.	
TOTAL	100%

6. The presenter with the highest score (determined through ranking) shall be awarded as the best Presenter.
7. The decision of the Panel is final and irrevocable.

GUIDELINES FOR POWERPOINT MAKING

A. CONTENT

Slide 1

1. Symbols

Logo of the university/institution selected by the presenter.

2. Photo of the Presenter

Taken by a professional photographer with good light and with a make-up enhancer, close-up, colored, enhanced photoshop to remove impurities of the face, subject in recognizable formal attire.

3. Photo of the Presenter

Order (from L-R): photo of the presenter, logo of the university/institution, flag of the country of origin.

4. Contact Information

Name of the Author/Co-author, ORCID Number, webmail, the name of university/institution, the name of the region or city of origin.

Slide 2

Iconic Images

GPS coordinates for the location of the region or city; university/institution images.

Slide 3

Introduction to your lecture

1. Research Title

12-15 words, with international perspectives that identify the country or region of the study sites, the place may be waived for other disciplines.

Slide 4

1. Background of the Study

Compelling reasons for conducting the study.

Slide 5

1. Objectives of the Study

Limited to 3-4 objectives of the study.

Slide 6

Framework of the Study

Framework/Theoretical underpinnings

Slides 7 & 8

Methodology of the Study

In diagram or bullet form.

Address: Dampas District, Tagbilaran City, Bohol

Telephone Nos.: (038)427-1702; (038)427-2506; (038)422-8177; (038)427-6718; (038)544-2147

Email Address: tagbilarancity.division@deped.gov.ph

Slides 9-16
Results and Discussion

In bullet form, answer each objective of the study; Support with images if applicable; DO NOT present Tables with many numerical data; Select the most important numeric data with significant results only; Translate scientific data into easy visuals.

In bullet form, cite the literature (author's name and year) that supports your results, if applicable, to show similarities or differences, meaning and implication.

Slides 17-18
Conclusions

State conclusions (which generated theory if applicable). Conclusions should be based on your findings that the scientific community represented by those in the audience should remember.

Slide 19
Recommendations

State recommendations, if applicable, with wider application/s.

Slide 20
Impact /Outcomes of the Study

State the laws, ordinances, policies that were triggered by your study; new systems and processes and processes generated as a result of your study; Utilization of study by stakeholders; Publication of the research.

Slide 21-22
Bibliographic Entries/Literature Cited

Flash them; DO NOT read each; Show screenshot of your Mendeley or endnote account as a basis for your references. DO NOT include unpublished sources like thesis or dissertation, Print only sources; go for online sources, Give bibliographic entry of the publication (if Paper was published already).
