Dear **Dr. Lagura**:

Greeting of peace!

The RAFI Center for Leaders continues to be your partner in learning and development. In light with the global COVID-19 pandemic, we have moved into an online learning and development space where we deliver powerful learning experiences to our partner learners through online platforms.

As the global pandemic continues to pose a challenge in delivering quality education to our learners, it has forced academic institutions to re-assess the delivery of instruction to learners. The RAFI Center for Leaders would like to express its continued support in the Department of Education's mission of delivering quality education to every Filipino student.

As our student leaders are more exposed to the digital world in response the new normal, there is now a greater call to practice active Digital Citizenship for protection, privacy and security. In line with this, in partnership with Facebook, we are inviting your Supreme Student Government Officers and Supreme Student Government (SSG) & Supreme Pupil Government (SPG) Advisers for the Virtual Learning Session on **Digital Tayo: Introduction to Digital Citizenship**.
