**Dear Dir. Jimenez:**

Greetings!

We would like to thank you and your organization for your continued partnership with the Ramon Aboitiz Foundation, Inc. (RAFII) to cultivate excellence in the education sector.

As Cebu eases into the New Normal, RAFII has initiated a webinar series entitled "Restart" to provide practical information and advice to the public on how to move forward confidently into the New Normal.

Our next episode entitled "**Cancer and COVID-19: Treatment and Care amidst the Pandemic**" will focus on providing options for cancer care and how to keep safe during COVID-19 while undergoing treatment. The resource speaker is Dr. Jemela Anne Osorio Sanchez, a medical oncologist.

In line with this, we would like to partner with your office in sharing this webinar to teachers and parents. We believe that this webinar will be useful for our DepEd personnel and teachers including our parents and guardians for their health and well-being. The webinar is scheduled on **Thursday, October 29 at 3:00 PM.**

Those interested in attending may register using the link: [http://bit.ly/Restart\\_CancerandCOVID-19](http://bit.ly/Restart_CancerandCOVID-19). We will send them the link to the Zoom session prior to the webinar. The session will also be streamed live via the official RAFII – Ramon Aboitiz Foundation Inc. Facebook page.

We encourage your organization to help promote the session on your respective Facebook pages. If you would like to cross-post the webinar on your Facebook page so that it streams live on organization's Facebook page, please contact the undersigned so that we can make arrangements to do so.

Thank you very much for your kind attention and we look forward to your positive response to our invitation. We hope to continue partnering with you in touching lives and shaping the future of our country.
