Dear Sir:

Among the billions of people online, children are increasingly using the Internet to learn and grow in a significant way. This hyper-connectivity exposes students to a multitude of risks that are becoming a global phenomenon.

As the school's transition to a flexible learning arrangement where lessons will be delivered digitally or via online platforms, the university finds it necessary to engage in discussions to promote a more secure digital space for students and the wider community.

It is in this vein that the University of Bohol is organizing a free webinar about Cyber Libel – Liability for Posting on Social Media on February 17, 2021, 2:00-4:00 pm via Zoom and FB live.

In this connection that we would like to invite your students to join us in this webinar and to seek approval for the endorsement of this activity to your different school principals and heads.

Your support is necessary for the effective implementation of the activity.

Thank you very much.

Respectfully,

Dr. Marilou Valmoria- Fudalan
