Dear Dr. Lagura:

Greetings!

The City Government of Tagbilaran would like to extend our sincerest gratitude for your continued support and participation in the programs, projects and activities of the city.

We would like to forward a concern raised by our faculty and staff of Tagbilaran City College (TCC). They expressed that, at times, they would have a difficulty in passing through the road leading to TCC since vehicles of the employees from your agency or clients of your agency are blocking the way.

With this, we would like to request your good office to remind your employees and clients to park their vehicles on your identified spaces which will not block the traffic flow.

We are hoping for a positive response regarding this matter.

Thank you and more power!

Very truly yours,

JOHN GEESNELL L. YAP II
City Mayor
