Dear Dr. Jimenez:

Greetings from the Aloysian Professional Community!

Republic Act No. 10912 or the "CPD Act of 2016" was enacted to promote and upgrade the practice of the professions in the country and institute measures that will continuously improve the competence of the professionals in accordance with the international standards of practice, thereby, ensuring their contribution in uplifting the general welfare, economic growth, and development of the nation.

Hence, to support this government's mandate, the **Aloysian Publications** is offering **Continuing Professional Development (CPD)** seminars for teachers which aim to reinforce existing skills, as well as learning new ones that aren't covered during teachers' training, and to build on their interaction skills and learn strategies for helping learners to achieve their full potential. Aside from this, CPD is still a mandatory requirement for the renewal of the PRC ID of all registered and licensed professionals.

In search for solutions to the educational challenges brought by Covid-19 Pandemic, the **Aloysian Publications (Philippines)** in cooperation with **BETMA English (Vietnam)** is offering a CPD Webicon named, the **3rd INTERNATIONAL WEBINAR MARATHON ON EDUCATION** with the theme: **Educational Disruptions and Responses in the New Normal**, slated on October 20-22, 2021 via Zoom Cloud Meetings. This webicon is **FREE** to all official members of Aloysian Publications, however we charge non-members a minimal fee of P2,500 (two thousand five hundred pesos). A digital certificate will be issued to the participants.
