Dear **Dr. Lagura**:

Greetings! We hope you are doing well and safe.

**Happy Teachers' Day!**

With the pandemic causing major difficulties that affect our well-being in a variety of ways, being more resilient to overcome challenges and essentially knowledgeable in managing our resources, primarily finances, is more important today than ever.

With this, we are inviting your **teachers and non-teaching personnel** in DepEd Division of Tagbilaran City to another episode of the Ramon Aboitiz Foundation, Inc. (RAFI) Restart Webinar Series titled **"We Can Thrive in Life, Work, and Finances"** on **Thursday, October 7, 2021, at 3:00 PM** via Facebook Live. This webinar will cover topics such as how to develop a **growth mindset and grow beyond the crisis**, as well as why **financial literacy** is important.

We have two credible resource speakers who will talk about growing beyond crisis and financial literacy. **Felise Charmaine Santiago Gamo** is a certified financial educator under Heartland Institute of Financial Education, USA. **Coach JC Libiran** is an international speaker, life coach, NLP certified practitioner, and founder of Grown Beyond Crisis online charity summit.

The Restart webinar series is aligned with RAFI's vision of "Touching People, Shaping the Future." This series covers a wide range of topics relevant to our lives in the New Normal. We have had a variety of experts as resource persons to speak about topics ranging from mental and physical health to school re-entry, new methods of travel, and launching a business, among others. We want to provide our viewers with accurate and useful information so that we can continue to strive and thrive in the new normal.

This episode is in partnership with RAFI Micro-Finance Inc. (MFI), Education Development (EDU), and Dolores Aboitiz Children's Fund (DACF) programs.
