The Home Learning Spaces (HLS) Program is an offshoot of *Brigada Eskwela* that aims to bring together education partners and experts to help all learners and their families create a quality and conducive learning space at home. The HLS Program serves as a platform to synergize efforts and resources to address education-related challenges especially in the implementation of the Basic Education Learning Continuity Plan (BE-LCP). It will also create and help develop learners' creativity and sharpen their focus in their learnings.

In reference to OULAPP Memorandum No. Q-484, s. 2021 titled "Participation in the Conduct of Series of Activities on the Orientation and Pilot Implementation on Establishing Home Learning Spaces in the Division Level," all concerned Regional Offices (ROs) and Schools Division Offices (SDOs) are requested to submit a summarized report on the implementation of the HLS Program.

In addition to said report, we also request the inclusion of photos capturing the implementation of HLS in your report. The deadline of the submission of HLS Program Implementation Report shall be on March 20, 2022. Enclosed is the template of the report for your reference.
