Dear **Director Jimenez**:

Greetings from the Dance Capital of Asia!

After the devastating typhoon Odette, global pandemic and lockdowns throughout the years, the Dancesport Team Cebu Int'l. Inc., Dancesport Academy of Cebu, has never stopped and have always been at the forefront of providing transformational activities.

It is very timely that Cebu City is now on Alert Level 1 and addressing the thirst of our athletes from the used to be normal dancesport trainings and competitions, the Dancesport Team Cebu City will play host the **"1st Philippine Training Dancesport Camp Cebu 2022 on May 01 – 03, 2022"** at the **Beverly View Events Pavilion, Cebu City**.

As in the past 8 years, school/ division, university or DepEd MAPEH teachers, especially those planning to take the NC II, POC-PSC Batang Pinoy, PNG, Palarong Pambansa. SCUAA and PRISAA Delegations will be taught the syllabus and necessary figures to enhancement courses that will benefit them all.

The camp offers three (3) days intensive training for coaches and competitors. For the coaches to utilize and develop their skills as well as experiencing the actual practice judging with Philippines top competitors and for the competitors to enhance their skills with the new WDSF system of teaching using the new technique book. There will be a thorough discussion of the differences between the old and new style in choreography, expanded technical details, understanding musicality and develop their individual partnering skills. It is a very rare opportunity to be train by no less than the **World DanceSport Federation top European champion couple Mr. Edgar Marcos Borjas and Alina Nowak of Poland** and the **Philippine's Finest License World Dancesport Federation Adjudicator and Professional Coaches** and many more.

In conveyance of this activity, participants and organizers are directed to adhere to the strict compliance of IATF health and safety protocols such as but not limited to wearing of face mask, maintaining the prescribed social distancing, ensuring a well ventilated venue with open windows and electric fans to bring in fresh air, temperature check and only fully vaccinated athletes and participants are allowed to enter the venue.

In this regard, we respectfully request from your good office to have an official Memorandum/ Advisory for them to send a delegation of dancesport coaches and competitors, technical officiating officials, beginners, intermediate, advance and competitive ballroom and dancesport athletes to attend this internationally accredited training/seminar, to represent their school or university.
