REGION VII – CENTRAL VISAYAS
DIVISION OF CITY SCHOOLS – TAGBILARAN CITY

Office of the Schools Division Superintendent

DIVISION MEMORANDUM

June 1, 2022

No. 201, s. 2022

**DISSEMINATION OF SEAMEO INNOTECH ALTERNATIVE EDUCATION IN
EMERGENCIES RESOURCE KIT**

To: **ALL PUBLIC AND PRIVATE
ELEMENTARY AND SECONDARY SCHOOL HEADS
ALL SCHOOL DRRM COORDINATORS
ALL OTHERS CONCERNED**

1. This Office would like to share the link of the SEAMEO Alternative Education in Emergencies Resource Kit (or EIE Kit) as a reference for EIE-related initiatives which was developed in cooperation with the DepEd Disaster Risk Reduction and Management Service (DRRMS) consists of Eleven (11) modules that aim to help teachers, education administrators and partners to discover, introduce and implement alternative strategies of learning delivery to sustain learning even during emergencies.

2. The resource Eie Kit includes:

- a) **Module 1: Education in Emergencies (EiE)** (<https://bit.ly/ADM-EiE-MO1>) that presents an overview of important concepts such as education in emergencies, disaster risk reduction and management, alternative education, and how these concepts are related to each other.
- b) **Module 2A: Alternative Education** (<https://bit.ly/ADM-EiE-M2A>) that provides a more detailed discussion of the concept of alternative education and outlines the differences between its two types: alternative access and alternative curriculum programs.
- c) **Module 2B: Alternative Education Frameworks and Standards** (<https://bit.ly/ADM-EiE-M2B>) that explains the relevance of alternative education for ensuring learning continuity in emergency situations.
- d) **Module 3: Alternative Education Programs in the Philippines** (<https://bit.ly/ADM-EiE-M3>) that describes various alternative education programs that are being implemented in the country.
- e) **Module 4: Planning and Starting Education in Emergencies** (<https://bit.ly/ADM-EiE-M4>) that provides ideas on priority actions to take at the early stages of conceptualizing EiE interventions, such as selecting an alternative learning modality.
- f) **Module 5A: Teaching and Learning Components of Education in Emergencies** (<https://bit.ly/ADMM5A>), which delves into key components of education in the context of Philippine emergencies. It zooms in on the teaching and learning aspects of EiE, such as pedagogical strategies, learning spaces, learning materials, and assessment.
- g) **Module 5B: Educational Challenges and Interventions in Philippine Emergencies** (<https://bit.ly/ADM-EiE-M5B>), which discusses the challenges that the education sector commonly faces in times of calamity or conflict.

Address: Dampas District, Tagbilaran City, Bohol

Telephone Nos.: (038)427-1702; (038)427-2506; (038)422-8177; (038)427-6718; (038)544-2147

Dir. Salustiano T. Jimenez
Regional Director
Department of Education – Region VII
Duran St., Iloilo City

Attention: Mr. Ranilo L. Edar, Regional DRRM Coordinator

Dear Director Jimenez:

Greetings from SEAMEO INNOTECH!

We are pleased to share with you the **Alternative Education in Emergencies Resource Kit** (or EIE Resource Kit) as a reference for your EIE-related initiatives. The EIE Resource Kit, which was developed in cooperation with the DepEd Disaster Risk Reduction and Management Service, consists of 11 modules that aim to help teachers, education administrators and partners to discover, introduce and implement alternative strategies of learning delivery to sustain learning even during emergencies. The resource kit includes:

1. **Module 1: Education in Emergencies** (<https://bit.ly/ADM-EiE-M01>) that presents an overview of important concepts such as education in emergencies, disaster risk reduction and management, alternative education, and how these concepts are related to each other.
2. **Module 2A: Alternative Education** (<https://bit.ly/ADM-EiE-M2A>) that provides a more detailed discussion of the concept of alternative education and outlines the differences between its two types: alternative access and alternative curriculum programs.
3. **Module 2B: Alternative Education Frameworks and Standards** (<https://bit.ly/ADM-EiE-M2B>) that explains the relevance of alternative education for ensuring learning continuity in emergency situations.
4. **Module 3: Alternative Education Programs in the Philippines** (<https://bit.ly/ADM-EiE-M3>) that describes various alternative education programs that are being implemented in the country.
5. **Module 4: Planning and Starting Education in Emergencies** (<https://bit.ly/ADM-EiE-M4>) that provides ideas on priority actions to take at the early stages of conceptualizing EIE interventions, such as selecting an alternative learning modality.
6. **Module 5A: Teaching and Learning Components of Education in Emergencies** (<https://bit.ly/ADM-EiE-M5A>), which delves into key components of education in the context of Philippine emergencies. It zooms in on the teaching and learning aspects of EIE, such as pedagogical strategies, learning spaces, learning materials, and assessment.
7. **Module 5B: Educational Challenges and Interventions in Philippine Emergencies** (<https://bit.ly/ADM-EiE-M5B>), which discusses the challenges that the education sector commonly faces in times of calamity or conflict.
